

Screening Services

Know the whole story behind every applicant

Discover background screening solutions meant for your industry and timely, accurate background screening results. ADP helps you overcome the following hiring risks with ease.

Identity Theft Risk

Knowing whether your applicant has a valid SSN gives you a head start on the screening process by providing the foundation for a thorough criminal background check. With our First Check SSN Validation, you will instantly know whether an SSN is valid as well as the year and state in which the number was issued.

Criminal Risk

Reduce the risk of the unknown. Start with our Address Verification so you know where to conduct criminal searches. Continue with Criminal Court Searches available at the County, State, National and Federal levels to help reduce violence, theft and fraud while protecting the safety of your workplace.

Driver Safety Risk

Help prevent driving-related accidents and lower your liability with Motor Vehicle Record Searches from any state, Canada, the U.S. Virgin Islands and Puerto Rico.

Credit Worthiness Risk

Put your organization's finances in the hands of employees you can trust. Have ADP run a Credit Report on candidates applying for positions involving access to money or inventory to assess their fiscal responsibility.

Sexual Predator Risk

Protect your clients, employees and others from harm. Learn if your applicants have a history of sexual offenses with ADP's State Sex Offender Registries.

Government Fraud Risk

Find out if an applicant has been singled out as a debarred or blocked person from official government sources and help your organization comply with the USA Patriot Act.

Fraudulent Injuries and Claims Risk

Reduce fraudulent claims and increased insurance premiums by viewing an applicant's history of filing workers' compensation claims.

Resume Fraud Risk

Hire with certainty, knowing your applicants have the qualifications you require. Choose from Credential, Department of Health and Human Services, Education, Employment and Personal Verifications.
